Dollars Spent Out Of Town Reduce Growth And Prosperity

BUY AT HOME —

This includes photography! A fast talking legalist convinced the City Fathers that the legal booby-man would say, "Yes, that outfit's in interstate commerce and therefore it can come into town and sell its wares without even 'how-de-do' to the license man."

So, an outside group will be knocking at your door or phoning you for a "sitting" — to take your picture. You may get a good job and at a price that's no more than you pay locally, but that outfit doesn't contribute one cent in license or taxes to the sidewalk on Avenue A, nor the city streets, firemen or policemen.

There'll be a few ham and eggs sold and pay for lodging and they'll carry better than a thousand dollars away from your City, your County and your State, probably. You can get practically anything they will offer you locally for the same or less money, except conversation, we believe.

So if you just gotta have your beauty struck and can't do business with your two local photographers, try Pahokee.

Folks even living in the State will buy gas, auto tags, pay cigarette tax and other sales tax to help educate YOUR kids.

So, as a protest against the unfair effects of the laws, or their interpretation, or the new laws written by the Judicial branch of our government, say to the outside-town solicitor for your business, "No thank you. I got kids in school and use our streets, and sometimes I might be on of a fireman or a cop provided by tax and license money."

"Have a drink — water or sump — and be on your way."

Cold Northern Weather Slows Demand For Much Of Glades Vegetable Crops

The complications of cold weather and snow in the northern markets has hampered the demand for much of the fresh produce being harvested in the Glades; however, record shipments are still being made for delivery.

Movement by truck and rail set a record almost last week and the prospects of consistent movement by the better part of the week are in the offing. Movement by truck and rail this week set a record for the year for the crops moved from the Glades.

Movement by truck and rail this week was 746, an average of 112 per day. Total movement since October 1959 by truck and rail was 11,061 to date, a drop of 112 per day for the same period last season.

Celery movement alone a Pepper week ago was 373. Prices ranged \$1.50 to \$2.00 with the better prices on the smaller sizes. Beans are light as cool weather hampers maturity. Cabbage demand is low with most sales \$1.00 to \$1.15; red cabbage sold at 5,530 Behind: 865.

Over 125 Girl Scouts Participate In Songs And Program At PTA Meet

An excellent program was presented by Girl Scout Troops of Belle Glade and was thoroughly enjoyed by the audience at the meeting of Parents and Teachers Association Monday night.

Barbara Wolf, senior scout, was mistress of ceremonies. The fourth grade troop posted the colors, and the devotion was conducted by the senior scouts of the troop, 123 Patricia Carpenter, Anna Maria LaChance, Mary Lou Raulerson and Barbara Wolf.

More than 125 girl scouts sang in unison six girl scout songs under the direction of Patricia Wadsworth.

Four senior girls from West Palm Beach, Leslie Kye, patrol leader, Patricia Regan, Lucia Roberson and Cindy Garlin, related some of their experiences when they attended the senior girl scout roundup at Colorado Springs last week.

They gave glowing reports of the trip, which was humorous and others more of an inspiring nature.

Business Meeting

Dr. V. E. Green, vice-president, presided in the absence of Don Fisher, president at the business meeting. The group elected a nominating committee composed of Mrs. Reginald Leach, Milton Carpenter, Ernest Wolf, and voted to donate \$300 of the PTA funds to the Belle Glade High School Library and \$100 to the Elementary School Library.

Two Killed, Six Injured;

MONDAY AFTERNOON a labor truck blew a front tire, ran off the highway and struck a tree on SR 80 about three miles east of Belle Glade. At least one of the victims, who later died, Catherine Sanders, is being placed in the ambulance. Three others are seen lying on the ground waiting aid. Hubert Armstrong also died of injuries received. Injured were Annie Livingston, Alvin Saffold, Char-lotte Garner, Louise Daniels, Lula Taylor and Clara Slaughter. According to Deputy Sheriff Terry York, the truck was owned by Hagen Powell and driven by M. B. Tillings, 24, of Belle Glade.

Glades Heart Clinic Will Be March 24

Arrangements are complete for the first cardiac clinic to be held at Belle Glade Memorial Hospital through the cooperation of the institution, the medical doctors on the staff and the Heart Association, according to Mrs. Guy Wood, Glades Secretary for the Heart Association.

Saunders said that last Friday, Mrs. Margaret Bodenstein, Executive Secretary of the Palm Beach — Martin County Heart Association, met with him and staff members of the Good Samaritan Hospital heart clinic to work out final details of the clinic at the Belle Glade hospital.

Those persons who will be admitted to the clinic must be referred to the Palm Beach County Health Department of Mrs. Victor Mulberg, Mrs. A. McGraw and Mrs. Glenn Alley, by their doctor. No one

District Cuts Tax

A phenomenon of modern political taxing government, subdivisions is predicted by the Board of Supervisors of the South Florida Conservancy District which covers some thirty-four thousand acres around the southern and eastern shores of Lake Okechobee.

A reduction of 75c per acre in taxes as predicted commencing in 1962, with more efficient operation of the facilities of the district.

By the close of collections for the year 1961 there will have been enough in the sinking fund of the district to retire all outstanding bonds when invested in highest state securities.

The present maintenance tax of \$4 per acre set by legislation some years ago is found insufficient to operate the district, with a resultant deficit for the four years ending in 1961. However, with the money lendered over the back of the district, only \$1.00 of the \$1.25 now necessary for them will be needed to put the finances of the district in shape and to maintain

Glades Lugging In Boy Scout Work

Rotarian Clarence Kidder, one of the Glades less-than-shall-dozens, Eagle Scouts presented District Field Director Paul Luce as principal speaker, with Roscoe Braddock and Guy Wood as local support in a Boy Scout program last Friday.

Roscoe Braddock pointed out the similarity of objects and aims of Scouts and Rotary and Guy Wood supported the businessman's contribution of time and finances to the project.

Director Luce pointed out that the more than five million boy scouts in America make the operation one of major importance. It was also pointed out that the Glades, according to population is far behind in Boy Scout numbers and organization.

As in the case of most of the public's troubles, figures reveal (Continued on Page Eight)

Car Washing By Scouts

Boy Scout troop 623 and Explorer Post 622 will hold a joint car-washing project at Florida National Bank parking lot Saturday, Mar. 19 from 8 a. m. until 5 p. m.

Pickup and delivery service is available by calling WY 5-3353.

Price of the car wash is \$1.50 for white sidewalls and all. Proceeds benefit the scout.

Where Did They Show??

Talk about shopping at home . . .

In our rounds of visits to the home folks talking about the pains to be enjoyed by home trade, a parking fine notice was attached to one of The Herald cars.

The meter man provided a handy hint as to how to avoid the quarter fine when dropping it in the courtyard box on the street. The little envelope had all sorts of printing on it, printing, in fact, by The Belle Glade Herald, locally, (WYman 5-3353) to be paid by post!

First Board Sale Is Held At Market

SOME OF THE TOP QUALITY STEERS sold at the Glades Livestock Market's first "Board Sale" during the regular Monday sale. These steers—sold by the semi-trailer load—were only a few compared to the total of 540 cattle and calves sold in the special sale.

"Board Sales," an innovation in the sale of some 540 head in eastern seaboard cattle sales, at the Glades Livestock Market Monday is a success!

"It is a privilege to see a group of cattlemen willing to pioneer a system in order to solve their marketing problem," said June Gunn, Secretary of the Florida Cattlemen's Association, following the sale of some 540 head in eastern seaboard cattle sales, at the Glades Livestock Market Monday is a success!

President J. O. Pierce of the State Cattlemen said pronounced the Glades Livestock Market Monday as "a very effective way to merchandise livestock," while Buddy Clarke, auctioneer of Lakeland and

PATRONIZE OUR MERCHANTS
WHENEVER IT IS POSSIBLE
Buying Here Spells Loyalty

Look For Community Spirit Messages No. 3 Next Week

THIS IS CIVIC LOYALTY

LOYALTY TO OUR COMMUNITY MEANS EVERYTHING

It is the essential factor to our growth and development. Merchants who invest here are deserving of our support. It is a requisite of loyalty to get behind the business institutions who have shown their faith by devoting their time, money and efforts for the general welfare of our community.

Patronize our merchants whenever it is possible. Buying here spells loyalty.

Look For Community Spirit Messages No. 3 Next Week

Ours is a competitive age, an age where the things that survive in the business world are those that have the merit. Anything that is useless or inefficient soon loses out in the strenuous race.

When you view your successful business establishments in your home community you are viewing those who have proved their merit and a right to your consideration and patronage. The business field in the small towns especially, is not exclusive to anybody who desires to enter and care to risk the necessary capital.

Nobody though, faces fiercer competition on every hand than the small merchant. A dissatisfied customer does not have to cast his vote and he goes on. There are the competing stores across the street or next door. Or if those do not exist there are usually towns within a very short distance that invite his patronage.

The small town merchant must find a way to meet these conditions, and he can only meet them or would like to see goods and prices that satisfy the customers.

When you find high class public schools located accessible to your children; when you find fine churches; when you find all the conveniences of modern life at your elbow, just think that this is the result of successful home trade.

Many folks don't stop to think when they spend their dollars elsewhere that they're contributing to the development of another town and slowing down the prosperity and growth of their own. If everybody traded out of town that town would soon not exist.

They thought that "my little business" doesn't matter when multiplied by many shoppers with the same idea can result in serious damage to the town. Merchants cannot carry the stock they would like to have when money becomes "tight" while your dollars are making it easier for their competitor in a larger nearby town.

We urge you to check the pages of The Herald — read the advertisements of our own business institutions who are particularly interested in telling you what they have to offer. Compare them if you like with services offered in larger towns. You'll find "savings" on ordinary shopping and when you home town merchant first. We believe the service and prices will convince you we're right.

Glades Road Projects

Palm Beach County Commission Monday gave formal approval of its primary and secondary road programs for the year and ordered the resolution sent to the State Road Department.

Among the projects for the next year is a new top for SR 15 between Pahokee and Belle Glade; SR 700 from Canal Point east five miles; and SR 80 from the Hendry County line east four miles.

The requests also call for right of way and survey maps for SR 15 and 715 at Pahokee.

Special Election Year Series

YOUR CANDIDATE

The year 1960 has been termed one of Florida's most important election years. From the general election to the smallest county office, a bevy of candidates announce their intentions to the public. Through this series, The Herald will introduce the readers to the various aspirants between now and election time.

For Governor . . .

In announcing his candidacy for governor, Doyle E. Carlton

of Wauchula, said: "What is good and moral must be maintained and furthered—what is wrong must be eliminated—what is youthful must be matured—what is questionable must be challenged—what is right must be respected and aggressively advanced."

Carlton seeks the state chairmanship of his six years of legislative service and by his campaign information being released.

Hospital Entry Nearly Finished

"It has been a pleasure to work with your group in installing the culvert front of your place where the road enters SR 80," writes County Commission Chairman Paul Rardin.

Canal Point this week to members of the Belle Glade Memorial Hospital.

The county forces under my direction were more than happy to make the installation. Though we used an unusually large amount of rock in the job, I feel that it is time and money well spent," Rardin wrote.

He went on to say that the rock would be blacktopped in the near future. The hospital purchased the culvert and the county forces did the work. F. E. Green, vice-president of the hospital entrance are expected in the next few days.

Garden Study Club Elects Officers Hears Program on Table Decorations

Mrs. C. C. Lemonds of Pahokee, a Nationally Accredited Flower Show Judge, was a featured speaker at the regular meeting of The Garden Study Club Friday at the home of Mrs. Roy Brown. She spoke on table settings and arrangements, giving many interesting suggestions regarding the new tablecloths, dishes and flower combinations. Mrs. Beulah Stone and Mrs. Luther Jones furnished displays as well as Mrs. Lemonds two examples.

Mrs. Lloyd Stayer, business manager, presided over the short business meeting, when the following state of officers presented by Mrs. Beulah Stone, Mrs. Barnes Smith and Mrs. Luther Jones, nominating committee, were elected: President, Mrs. Strayer; vice-president, Mrs. Robert C. Abel; Secretary, Mrs. Louise Kirchman; treasurer, Mrs. Culley Collins; board members, Mrs. Barnes Smith and Mrs. R. Y. Creech, Jr., Mrs. Strayer and Mrs. Lee Puckett were elected delegate and alternate, respectively, to the annual convention to be held in Palm Beach in April.

Mrs. C. L. Burgess was welcomed as a new member.

Mrs. Stone won first in the arrangement contest, with Mrs. Jones and Mrs. Freedlund second and third, respectively. In the Amarrilis specimen contest, Mrs. Jones won first and Mrs. Freedlund second.

A lovely refreshment table was set by Mrs. Brown, using an imported embroidered cloth brought from France by her mother. A social hour was enjoyed by those attending: Mrs. Lee Puckett, Mrs. Ray Roth, Mrs. Leland Pearce, Mrs. Joe Freedlund, Mrs. Luther Jones, Mrs. Lloyd Strayer, Mrs. C. L. Williams, Mrs. Robert Abel, Beulah Stone, Mrs. Roy Brown, members, and Mrs. C. C. Lemonds and Mrs. Jack Rodin were guests.

Radio Station Joins Network

Radio Station WSWN, the Seminole Broadcasting Co., at Belle Glade, became affiliated with the Mutual Broadcasting System effective last Monday, according to an announcement by Marvin Smith, general manager.

In looking for a network affiliation, Smith commented, "we chose the Mutual System exclusively for radio. The affiliation will bring to our station some of the best newscasting by America's foremost newsmen in addition to other top-notch selected programming."

The radio station has functioned as an independent station since it went on the air in 1947 except for exclusive networks for sports reporting.

Among the top names on the roster of newsmen who will be reporting on the station will be: Gabriel Heister, Bill Stern, Bill Costello, Westbrook Van Voorhis, Galen Drake and Cedric Foster. Many other prominent personalities will help bring the impact of on-the-spot news coverage among other programming features, Smith said.

EVERYONE INVITED - L. D. S. Building Fund Dinner, Friday evening, March 18, Belle Glade Armory, serving 5 to 9 p. m. Adults \$12.50, children 75c. Full course roast chicken and dressing with drink and dessert included.

For additional information on Air Force Programs, contact your local Air Force Recruiter, Sgt. Johnnie C. Gautier who visits Belle Glade every other Tuesday and is located at the Belle Glade Selective Service Board from 10 a. m. until 4 p. m.

DAVID STEWART

David Stewart, who was appointed by Gov. Collins to succeed James M. Owens, Jr., to serve out the term which expires Jan. '61, announced that he will be a Democratic candidate for the office of Palm Beach County Tax Assessor subject to the May primary.

A native of LaBelle in Hendry County, Stewart was educated there before being graduated from University of Florida, 1941, with a B. S. degree with honors. He attended Notre Dame University Midshipmen School in 1942 and later served four years in the Navy as a commissioned officer.

He has been employed by the PBC Tax Assessor's office since Jan. 1, 1947. He says: "I believe that 13 years of experience as a deputy assessor and as County Tax Assessor qualify me for the position. If the voters of Palm Beach County will elect me as their tax assessor, I will make every effort to give them the fairest and most equitable tax roll that it is possible to make. Every taxpayer who feels his assessment is too high will have every opportunity to be heard and I will do my best to assess all taxable property as equally as it can be done."

"I will stress strict honesty and courteous service to the public. Economy will be emphasized in the operation of the office and tax money will be spent as wisely as possible. I will devote all my time to the job of tax assessor. Neither my self nor my employees will engage in anything that would conflict with the job."

Married to a Lake Worth woman, Florence Hicks, the Stewarts have four children, and are members of Calvary Methodist Church, Lake Worth where he is active as teacher and steward. He is a member of Phi Kappa Phi, national school.

Mrs. Sands' Brother Succumbs In WP Beach

Services for Robert Lee Booth 57, Rt. 1, Box 62, West Palm Beach, brother of Mrs. Ruth Sands of Belle Glade, were conducted Friday at 4 p. m. at Mizell-Faville - Zern Funeral Home with Rev. Ryan L. Wood of Memorial Presbyterian Church officiating. Burial was in Hillcrest Memorial Park.

Mr. Booth died suddenly Wednesday morning at his home.

He was an auto mechanic and came to West Palm Beach from Miami in 1925. He owned and operated Semolina Motors for many years. He was a member of BPOE 1352, member of the board of directors of the Wild Life Conservation League and the United Commercial Travelers.

Survivors include his wife, Mrs. Betty V. Booth, one son Robert R.; one daughter Miss Rebecca R.; one brother, three sisters and two grandchildren.

John McCarty Stumps

Gubernatorial candidate John McCarty, of Ft. Pierce, visited with his friends and supporters in the South Bay - Belle Glade area Tuesday afternoon before returning to Lake Worth for more whistle stop campaigning.

McCarty made the trip to the Glades following appearances at Delray Beach and a lunch later with West Palm Beach Rotarians. He is expected to carry his campaign to Dade and Monroe of this week.

I would not more quarrel with a man because of his religion than I would because of his sex.

Before Talking, Ask For Credentials; Guard Against Fake Census Takers

Beginning April 1, census enumerators will start ringing door bells in the gigantic task of counting the nation's population. Because a scattering of opportunists invariably take advantage of this operation to pose as census takers, in order to get into homes for sales purposes, L. L. Price, Executive Secretary of the Belle Glade Chamber of Commerce, cautioned the public today to be on guard against such pretenders. The text of Mr. Price's statement follows:

"An individual who falsely represents himself as an enumerator in the 1960 Census of Population and Housing is taking a chance which might result in a \$1,000 fine and three years in prison. A warning that pretenders will be prosecuted

under Federal law has been issued by the Bureau of the Census, U. S. Department of Commerce.

"Section 912 of Title 18, United States Code, provides: 'Whoever falsely assumes or pretends to be an officer or employee acting under the authority of the United States or any department, agency or officer thereof, and acts as such, or in such pretended character demands or obtains any money, paper, document, or thing of value, shall be fined not more than \$1,000 or imprisoned not more than three years, or both.'

"The Census Bureau advises the Chamber that householders should request persons representing themselves to be census enumerators to show their credentials. If the individual re-

PBC Planning Dept. Being Considered

Plans for organization of a county planning department, with the purpose of planning the future growth of Palm Beach County and its municipalities, is under consideration of the county commission.

Decision for establishment of a planning group within the county's zoning department, was the outgrowth of a public meeting last week, a session attended by more than 100 representatives of towns and organizations from all sections of the county.

Commissioner Roy Michael, who heads the commission's planning and zoning committee, said the public meeting showed a definite interest in developing plans for such an organization.

Michael was authorized to draft tentative plans for a planning department, with other members of his committee, and to make a report to the county commission at a future date.

KATHLEEN LIVINGSTON, Church Editor

Young Evangelist Prays For Sick

Tent services are being conducted every night at 7:30 and on Sunday at 2:30 p. m., on West Canal Rd., one block west of N. Main St. at the bridge, by the well known boy evangelist, 16 year old Ralph Morton.

The young man was a victim of Pertussis disease 10 years ago. He was on crutches and his home shown by X-ray was in four separations. Doctors warned the family that any weight on his leg might cause deformity. The boy visited a tent revival in Atlanta, Ga., and through faith was able to discard his crutches.

After that Ralph started as an evangelist. He prays for the sick and while many have been helped he insists that, "I don't heal," the Lord heals. "He and his family have held services in over 30 states and are inter-denominational. Ralph is 10 year old brother leads the song service, sings solos and teams up with his two sisters for trio work.

BPW Club Selects Mrs. Dot Keesee Woman Of Month

The selection for the "Woman of the Month" for February in the contest sponsored by the Business and Professional Women's Club is one of Belle Glade's own young matrons, Mrs. Charles Keesee, president, known for her cheerful service to the public with a smile and a friendly remark. The club is happy and proud of its choice, Mrs. C. W. (Dot) Keesee, recommended by Beta Sigma Phi. Dot, as she is known to everyone, was born and raised in Belle Glade and has worked at the local post office since high school days. The club honors her as a career woman, a working mother and helpmate, and for devotion to family and work despite physical handicaps she has borne so well.

The Keesees have two children, Jack, 12 years old, and Kathy, 18 months. Dot who doesn't go in much for clubs is more interested in her work and home. She is a member of the Methodist Church.

A civil service employee, Dot has worked for the postoffice for seven years, been cited for excellence in her work and good money savings suggestions and her efficiency which is far beyond par.

Dot is to be commended on her wonderful attitude and outlook on life for her patience, diligence, self-sacrifice and efficiency and rising above obstacles almost insurmountable to obtain a good life for her family.

City and Chamber Of Commerce Adopt New State University Resolution

The following resolution was adopted by the City of Belle Glade and the Belle Glade Chamber of Commerce, this week:

RESOLUTION NO. 935
A RESOLUTION BY THE CITY COMMISSION OF THE CITY OF BELLE GLADE, FLORIDA, URGING THE STATE BOARD OF CONTROL TO PROCEED WITH PLANS FOR CONSTRUCTION OF A STATE UNIVERSITY AT BOCA RATON, FLORIDA.

WHEREAS, a recent study of Florida's College requirements shows that provisions must be made for 60,000 additional college students before the fall of 1965, and

WHEREAS, it has been shown that a total of 121,000 College students will be seeking higher education in 1965 as compared with 60,121 enrolled in Florida institutions in 1959-60, and

WHEREAS, the six southeastern Counties in Florida are now furnishing more than 33 percent of the Florida residents enrolled, and

WHEREAS, the current unprecedented growth of these

six Counties namely St. Lucie, Martin, Okeechobee, Hendry, Palm Beach, Broward, and Dade may be expected to continue so that even more than 33 percent may be expected to originate in this area in 1965, and,

WHEREAS, the facilities of existing Florida Colleges, Universities and Junior Colleges, both public and private, will be wholly inadequate to meet these 1965 requirements, despite maximum plant expansions and extensions, including proposed quadrupling of the Junior College system, and

WHEREAS, the Florida Legislature, in its 1955 Session, authorized the Board of Control to establish said Boca Raton University by Chap. 30297, and

WHEREAS, the Board of Control to establish said Boca Raton University by Chap. 30297, and

WHEREAS, additional funds will be required to complete and sufficiently detailed plans to adequately support and justify a request for capital outlay construction funds at the 1961 Session of the Legislature, and

WHEREAS, the failure to provide such detailed plans for presentation to the 1961 Legislature could result in a delay of two years in the activation of said University.

NOW, THEREFORE, BE IT RESOLVED that the State Board of Control be, and it is hereby urged to proceed forthwith with the preparation of detailed and specific plans for the construction and activation of a State University at Boca Raton, where the State now holds title to 1,200 acres of land for this purpose, and that said Board of Control be urged to immediately seek the funds required, from all possible sources, so that plans necessary to justify and support a specific request for the appropriation for construction funds may be presented to the next Session of the Florida Legislature.

ADOPTED THIS 15th Day of March, A. D. 1960 by Paul Davidson, Mayor-Commissioner

Palmer January F. C. Markham W. J. Evans Clyde Parrish, as Commissioner

Frank C. Anderson, City Clerk.

Two Local Ford Men Rated Top Salesmen

Two salesmen on the staff of Belle Glade Motors, Inc., Belle Glade will be presented Ford Motor Company's 300-500 Club award at a banquet honoring high-ranking Ford dealership car and truck salesmen of 1959 in the Jacksonville Ford sales district.

Harry B. King, manager of the Jacksonville sales district, said 300-500 Club membership awards are presented for outstanding retail sales performance and added that efforts of winning salesmen are of particular significance because they resulted in Ford leading all other makes in sales last year.

Mr. King added that the average 300-500 Club member sold the equivalent of 100 new cars and 70 used cars in qualifying for the national honors.

Dates and locations for forthcoming honor banquets are: March 18, Orlando; March 19, Miami Springs and Jacksonville; March 25, Wakulla Springs, and March 26, St. Petersburg.

The two salesmen are: Douglas Lockhart and C. J. McDonald.

"South Pacific" Is Due

Rogers and Hammerstein's "South Pacific" will follow the current production of "Show Boat" which continues through Mar. 20 at Palm Beach Music-carnival. "South Pacific" runs through Mar. 27.

Joan Kibritz stars as Navy Nurse Nellie Forbush with Earle MacVeigh as the French planter with whom she falls in love.

USDA Official Speaks About Russians And Tours Glades Inspecting Work

Dr. Herman A. Rhodenhiser, an Administrator in the Agricultural Research Service, U. S. Department of Agriculture, yesterday attended the noon day luncheon of the newly formed U. S. D. A. Club and gave an address on his impressions of "Russian and Russian Agriculture" at 8 p. m. last night at a meeting held in the auditorium of the Palm Beach County Glades Office Building.

Today Dr. Rhodenhiser will inspect the research work under his supervision that is conducted in the area. He will also confer with officials of the Everglades Experiment Station and with growers in the area.

Dr. Rhodenhiser is a native of Boston, Massachusetts. He received his B. S. degree from the University of Minnesota, his M. S. and a Ph. D. from the University of Minnesota. He began his U. S. D. A. career in 1923 as an agent in the office of cereal investigations at St. Paul, Minnesota. He progressed through a number of increasingly important and more responsible assignments on cereal pests, rusts and on flax diseases. In 1945 he was put in charge of all research on cereal rusts. In 1950, he was made responsible for developing a cooperative test program in several Latin American countries.

To determine sources of resistance in small grains to virulent races of stem rust. In 1952, he was appointed to head all U. S. D. A. production research on cereals.

Many honors and awards have been given Dr. Rhodenhiser in recognition of his contributions to agriculture.

In November, 1957 Dr. Rhodenhiser was appointed Assistant Administrator, Agricultural Research Service and is concerned primarily with the Farm Research Program.

In July, 1958, Dr. Rhodenhiser was selected by the United States Government to head one of the six teams sent to Russia on the exchange program between United States and the Soviet Union.

LDS Church Building Fund Super March 18

The Church of Jesus Christ of Latter Day Saints is sponsoring one of those delicious suppers at the Belle Glade Army Friday, March 18, serving from 5:30 until 9 p. m.

The menu will include roast chicken and dressing, vegetable, potatoes, and on the side, the new church has been purchased in the N. E. section of the city and is composed of two and one-half acres of land. Tentative plans are underway for a \$100,000 church building.

Proceeds from the supper will go toward the church building fund. John Liebhart, Branch President, reports the sale of the new church has been purchased in the N. E. section of the city and is composed of two and one-half acres of land. Tentative plans are underway for a \$100,000 church building.

Your Library

Inspirational reading for the Lenten Season is now available at Belle Glade Public Library, according to Mrs. Bettie Harris librarian.

Christ On Main Street by Norbert: This book tells the story of the one who the world crucified, yet can never forget. Ever since that first Easter when He walked out of His tomb alive, He has been the visible King of human history.

Assurance of Life Eternal by Burton: is a book of affirmation that will have an appeal to all who ponder over the meaning of death and of life eternal. Stepping Stones by Clark is made up of narratives taken from the Bible.

Making Prayer Real: by Radcliffe is a book which provides an interpretation of the total life of prayer, as a practical guide for everyone who seeks close communion with God. To All Nations with Hallelujahs: The Bible was once available only to priests and scholars and the men who first dared to translate it to deny the tyrannical power of church and state. To All Nations will reward the reader of a fuller understanding of our hard won freedom of worship and a deeper appreciation of the Book of Books.

Venture Of Faith by Walker is a guide to marriage and the home. From Pagan To Christian by Lin Autang. The author describes his conversion from paganism to Christianity. Whether you agree with Dr. Lin's position, the story is inspiring. Bible in the Making by MacGregor is an authoritative history of the Bible's adventures through the centuries. It gives the reader a deeper appreciation of the value of the Bible for modern man.

How We Got Our Denomination by Stuber is a new and completely revised which has been used more than 30 years. It keeps all inquiring minds to see clearly, and directly the course by which the church has come to be what it is today.

Watch The Circus Tents Go Up Today

If you hear the music of a calypso or see an elephant walking down the street on Friday, March 18 don't be alarmed. It only heralds the arrival of Hagen Bros. Three Ring Circus to Belle Glade for its one day showing consisting of two performances at 3:30 and 8:00 p. m. The Circus Club is sponsoring the "Big Show" to raise money for Main projects and at the same time give children of the area an opportunity of seeing one of the few remaining tented circuses.

There will be cages of wild jungle animals, ponderous elephants, trained horses and ponies, gunnacos, llamas and many other oddities of the animal world, and in addition to the traveling zoo, there will be numerous performers - representing twelve foreign countries.

Among the featured performers will be Buck Lehy and his host of clowns, Miguel and Delores, stars of the wire act, and Riding Bantas, a family of Australian bareback riders, the Marques sisters, acrobats from Spain performing high in the air on the trapeze and Tex Maynard western cowboy noted for his trick roping. Hagen Bros. Circus, as in years past, still finds an interest from the public in watching the big show being unloaded and erected. The show's management invites the kids, young and old to be their guest, morning of the show and see the big top turning into a huge arena and the wild animals being fed. Visitors will be welcome on the showground, located near the Post Office during the morning hours.

YOUR CANDIDATE

The Year 1960 has been termed the "Year of the Candidate" by the public. Through this series, The Herald will introduce the readers to the various candidates between, in election time.

Learnon "Ardy" Andrews, Leard Worth businessman, has announced his candidacy for membership on the Board of County Commissioners of Palm Beach County representing District 3, subject to the Democratic primary, May 3.

Says Andrews: "I firmly believe that the county should be run on a business-like basis and of course, it follows that this can best be accomplished by experienced businessmen. I feel qualified to serve in this position because of my business experience during the past 16 years as a service station operator, tire distributor and car dealer in the same location.

"If elected, I pledge that enough of my time will be devoted to the Board to accomplish real and fair representation for all the people. Because of the probability of conflict of interest, I further pledge that during my tenure of office, I shall not apply for a real estate license, nor will I engage in the real estate business.

"As always, I will seek advice and study each given situation before acting. Under no condition will I deviate from the principles of our democratic form of government, and will always express my self as an independent representative of the people."

Sorority Topic: Musicarnival

The Xi Beta Gamma Chapter of Beta Sigma Phi held its regular meeting, Thursday night, March 10, at the home of Mrs. Frank Anderson.

Mrs. Earl Lindrose introduced Jack McCormick, head of public relations for the "Musicarnival." He presented a most enjoyable program, telling about the "Musicarnival" and showing slides from scenes of presentations given there.

While the business meeting was in progress, the Social Committee announced the Chapter would have a buffet dinner at the home of Mr. and Mrs. Louis Kirchman, Friday night, March 18, also, the Nominating Committee read their recommendations for the slate of officers for the coming year, which will be voted on at next meeting.

Members present were: Mrs. James E. Williams, Mrs. Frank Anderson, Mrs. Milton Carpenter, Mrs. Tom Chappell, Mrs. Rodney Connell, Mrs. Francis Cross, Mrs. Eddie Jones, Mrs. Earl Lindrose, Mrs. O. G. McWhorter, and Mrs. Ross Nash.

The Upper Room Is Observing Its 25th Anniversary

The Upper Room, a regular weekly feature of this newspaper, is observing its 25th year of service to Christians of many denominations in 100 countries around the globe.

The Upper Room is a daily devotional guide which started publication in April, 1935 and has already circulated in excess of 250,000 copies, says its editor, Dr. J. Manning Potts, who adds "and its worldwide acclaim has been mainly by its simplicity... a reading of Bible text... a daily meditation... a simple prayer and a thought for the day."

It now appears in 37 separate editions, in 31 different languages and Braille for the blind. Besides the printing plants at Nashville, Tennessee and Louisville, Kentucky, 29 editions of The Upper Room are printed in 21 different cities around the world. In addition to more than 3,375,000 copies of the guide per issue, the devotional meditations appear in 1,800 weekly and daily newspapers.

You'll find The Upper Room on the church page of today's issue.

Special Election Year Series YOUR CANDIDATE

The year 1960 has been termed one of Florida's most important election years. From the governor's race to the smallest county office, a levy of candidates announce their intentions to the public. Through this series, The Herald will introduce the readers to the various aspirants between now and election time.

Charlie Race of Winter Haven, the first announced candidate for state commissioner of agriculture, qualified for that post, subject to the May Democratic primaries.

The 43-year-old citrusman, cattleman and motel owner, seeks to succeed Nathan Mayo, Sr., veteran commissioner, who is retiring next January. It was more than 20 years ago that Race was determined to enter the race when Mayo decided not to seek re-election.

Race has pledged to protect the farmer against any discrepancies in his source of supplies.

A World War II veteran, Race has promised, if he is elected, he would "take care of the air pollution problem immediately." "The instant you elect me your commissioner, my program will be to see that appropriate funds be set up to eliminate this florida situation," Race said. There are some 53 other planks of his platform which will be announced later, of which water and water control is No. 1.

St. Patrick's Life Eventful

St. Patrick is the patron of Ireland and a saint of the Roman Catholic Church. He was born at Bennavem, which may have been in England near the Severn estuary, or in Scotland near the modern city of Dumbarton.

St. Patrick had a romantic life, full of adventures. He was captured by pirates from Ireland at the age of 16. They carried him back and let him to tending the flocks. Six years of slavery made him a devoted Christian.

He escaped to France and became a monk and later returned to Ireland and became a Missionary Bishop. He worked zealously for the rest of his life. He became to be known as the "one who found Ireland all heathen and left it all Christian."

Over 300 churches were founded by Saint Patrick and more than 120,000 people were baptized. Many legends, one of the most talked about was when he charmed the snakes of Ireland down to the seashore where they were all drowned.

St. Patrick's Feast Day is celebrated throughout the world wherever there are Irish people on March 17.

Will Share Party Junior Cattleman

The regular monthly meeting of the Junior Cattleman's Association was held at the Glades Office Building, March 8 at 7:30. The meeting was called to order by Warren Roper, President. The minutes of the last meeting was read by Becky Hill, Secretary. Roll call showed 20 members and 3 visitors present.

The members decided to collect 25c per member at each meeting for dues and decided to have a party Apr. 1.

The guest speaker was Dr. Charles D. Gies, Animal Husbandry Department Everglades Experiment Station, who spoke on "Careers in Agriculture."

He brought out facts to show where Palm Beach County, the State of Florida and the United States stand in the agriculture field. He pointed out to the members that there are many more fields in agriculture other than dairying, beef cattle, production and farming.

Dr. Howard C. Gies, Livestock Marketing Specialist Agricultural Extension Service, Gainesville, made a short talk on agriculture. He explained about board sales to be held on Monday, March 14th at the Glades Livestock Market.

The meeting was adjourned by the salute to the flag. —Mary Lou Raulerson, Reporter

Gold Bond TWINSULATION

makes drafty rooms snug and comfortable...

In fact, Gold Bond Twinsulation installed in your attic not only keeps your rooms warmer in winter; it also keeps them cooler in summer.

The fire-safe rock wool, an excellent insulator itself, together with the foil/aluminum reflective blanket surface provide a double bar against the passage of heat either way. Wherever the blanket faces a minimum 3/4" air space, its surface reflects back radiated heat.

So you see, Twinsulation keeps heat where you want it all year round—outside in summer, inside in winter. Makes your home more comfortable, pays for itself in permanently lower heating—and cooling—bills. Simple to install.

Stop by for a look at samples, application details, quotation on your attic area.

WIDE INSIDE

DIFFERENCE IN A CHEVY WAGON

Chevy wagons are widest where wagons should be—with the widest seating, the widest cargo space and the widest choice of engines and transmissions—24 combinations in all, to give you peak performance with any kind of load. Check any of the five handy, load-carrying new models at your dealer's. You won't find these versatile advantages in any other wagon near Chevy's size and price!

■ Widest seating, front and rear, up to a full 3.1 inches wider in front, up to 4.2 inches in the rear. ■ Widest cargo area—the load platform's a whopping 35 1/2 foot wide, designed for a wider variety of cargo. ■ Widest area between wheel housings—allows more room for bulky loads. ■ Widest choice of engines and transmissions—24 combinations in all, to give you peak performance with any kind of load. ■ Full Coil springs that ride right loaded or light—no other wagon near Chevy's price and size gives the bumps with coil spring at all four wheels. ■ More road and ramp clearance—you can take full loads over lumpy grades without scraping bumpers. ■ Truly practical 9-passenger model—with roomy rear-facing third seat, marine-grade roll-down rear window.

See Corvair for the wide, wide difference in compact cars! Every Corvair gives you a fold-down rear seat for extra storage space—at not a penny extra. And this is only one of many advantages you'll find in no other compact car in the land!
